Dear Friends,

Summer time is always a busy time at TTW. Why is summer so busy you might ask? Summer is the time for mission trips. Students are off from school, and the whole family has an opportunity to serve the Lord on the field. I am always excited about our teams that go out. They are filled with Christians young and old. It excites me because of the possibilities. The Lord only knows what He might do through one of these trips! He might raise up a mighty man or woman to do a great work in His Kingdom. What a great privilege to be a part of helping people around the world, but also of investing in the team member's spiritual walk. Please pray for the team that will be leaving the 21 of this month to go and minister to the homeless in Moldova. Also pray for Dr. Greg Heisler that will be traveling along with his wife Laura to teach Pastors in Romania. This husband and wife team will be leaving the 22 of this month.

Please keep all of our children around the world bathed in prayer. Pray for our clinic in Kenya that we now know is helping hundreds of children in desperate need of medical attention. We want to send up praise for the rains that the Lord sent in Kenya. They were in a terrible famine. Our Father knows our needs and is able to meet all of them! We are praying for the Lord to provide the resources to build a school in Kenya. These precious children need to have the opportunity to have a world class school in which they can learn to be Christian citizens for the country of Kenya.

I want to end this letter by letting you know how thankful we are for you. I might not know all of you personally, but one day I will. When we are in heaven together worshipping our great God and Savior I will be able to know each and every one of you. Until then may we press on together helping the hurting, lifting up the down trodden, feeding the destitute, and most of all sharing the good news of the gospel with the lost. As Paul would say, "I thank my God at every remembrance of you!" May the Lord bless you.

In His Service,
