

Momentum Youth Weekend...

I have to start this letter with a word of praise. God really blessed us through the Momentum Youth Weekend. On September 18 and 19 there were 1000 youth that traveled to Morganton NC for a weekend of worship. How impressive it was to see all of these young people excited about serving our Lord. Yes there were bands that we older people were not so excited about, but it wasn't about us; it was about the youth and many of these young people would not have come for the bands that we would prefer. But they came, they heard, and many received Christ as their Savior, rededicated their lives to Him; or answered the call to full time ministry. David Rhodes of Wayfare Ministries was the featured speaker and he did a tremendous job of bringing God's Word to these young people. Touch the World was the featured mission organization. We were blessed to team up with this ministry to reach and teach the youth of America. We had many children sponsored through our Child Sponsorship Program. We were truly blessed to see young people with a heart to help children less fortunate than them. Thank you for your prayers. We asked you to pray and you did. The results of your prayers were evident.

October Mission Trips...

Please be praying for the mission teams that will be going out in October. There will be a team going to Romania to teach classes at our Pastor's School and doing ministry in the villages and parks. We also have a team that I will be leading to Haiti to do some construction work on our church in the heart of Voodoo country. You are such an important part of this team. With your prayers and support we are all part of touching the world with Christ! Thank you!

Christmas Joy Project...

We are excited about a new project; the Christmas Joy Project. We will be sending Christmas gift boxes to our children at River Jordan Champions home in Kenya. If the project is a success we hope to send Gift Boxes to all of our project locations in the future. If you are interested in filling a gift box for a child in Kenya see the enclosed flyer.

Until He returns,

Homer

This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world."

James 1:27

"Therefore pray the Lord of the harvest to send out laborers into His harvest."
