

**Romania Mission Trip...**

We had a busy month in October. A team of five traveled to Turnu Severin, Romania where Dr. Bill Bowyer taught the third class of our Pastor School finishing up our first year of the school. While Dr. Bowyer taught the other members of the team ministered to children at the church. In the evenings they went into the surrounding villages that have no churches and preached. There were many salvations and we are so thankful for this report. God only knows the impact of this trip for the Kingdom. This team also ministered to children at Orsova Orphanage and did park ministry. I want to thank this team personally for their great effort. We heard nothing but praise for the great work they accomplished.

**Haiti Mission Trip...**

Also in October we had a team travel to Haiti. I had the privilege of leading this team. There were seven men including myself. We had a wonderful time. The work was hard. We poured concrete in five gallon buckets to finish the floor in a church we have at Palmist. The men worked diligently and the job we set out to do was complete. I want to thank the men that were a part of this trip for their hard work on this project. We also got to see one of the Haitian workers receive Christ as his Savior. What an added bonus. This is what we are about as a ministry. Yes we set out to pour that floor, but God in His grace was building His Kingdom also. For me, it is a great blessing to see men grow in their walk with Christ; and I saw everyone on this team, including myself, grow closer to the Lord and each other.

Thank you for being a part of all the great things God is doing through Touch the World Ministries. You were involved in both of these mission trips. It is your prayers and support that make all of this possible. You were a part of the salvations that took place. Even though you may not have been with these teams physically you were a part spiritually. In God's eyes it is all the same. May the Lord bless you as you serve along side of us.

In Christ,  
Homer

one Child at a time.*

**Allan Sifuna**

Allan is a 7 year old boy. He was staying with his step grandfather who was poor. Allan was very weak. His stomach was swollen and full of worms. He had scabies on the head, his body was full of rashes, and his toes were infected. He could not take a bath due to lack of soap. He was in a bad situation and no one could assist him. He cried all the time. Allan is now living at River Jordan Champions home in Kenya and is very healthy and happy, and he is getting his basic needs met.

**For only \$15 per month you can feed, clothe, and take care of the basic needs of Allan or a precious child like him.**

*This is pure and undefiled religion in the sight of our God and Father, to visit orphans and widows in their distress, and to keep oneself unstained by the world."*

*James 1:27*
