

## Christmas Joy Project...

We all are looking forward to the celebration of the birth of the Lord Jesus Christ. I love this time of the year. Hearts are soft to hear the wonderful message of the babe in the manger. We at Touch the World encourage each of you to look for those special moments to plant the seed of the Gospel. I want to thank all of you that participated in the Christmas Joy Project. I want to thank those that gave financially as well as those that gave of your time to make this project possible. Wow what a great response. I have to mention Wake Cross Roads Baptist Church in Raleigh North Carolina. They contributed nearly 200 boxes full of presents headed for Africa to bring joy to the hearts of our orphans. Thank you for sharing Christ in this way and your heart to give the true meaning of Christmas to these precious children. All boxes are on their way. Soon there will be big smiles and laughter as presents are opened by many that have never received anything like this in their lives.

## El Salvador Mission Trip...

Please be in prayer for our team that will be traveling to El Salvador this month. This team will be giving out Christmas boxes to needy children in the villages. I want to thank Hickory Grove Baptist Church in Bladenboro N.C. as well as Hopewell Baptist Church in Morganton N.C. for donating over 500 boxes to be given out on this trip. I pray that the Lord will bless these churches for their compassion to give to underprivileged children. Thank you seems like it is not enough.

I also want to thank Samaritan's Purse for funding the bore well in Salem India. This well will provide fresh drinking water for our orphan's at Agape Christian Mission. Fresh water is so hard to find in this area of the world. What a blessing to have SP as a ministry partner. We are blessed with many great partners, some of the greatest choose to remain anonymous, but are a major part of all that TTW does. You are our partners as well.. Now as we close out this year and are looking at a brand new one, how thankful I am for This has been a banner year for TTW. So many great things have been accomplished. We give thanks to the Lord for all His provision. His provision many times is through generous people like all of you. May the Lord bless you! I am amazed at what the Lord is doing in the lives of His people. As you ponder the wonder of Christmas, remember it is not about the decorations, although they are beautiful. It is not about the gifts, although we all love to give them. It is about God who came to dwell among us and to give His life as a sacrifice for our sin. That is truly what Christmas is all about! May He pour out His presence in all of your lives. I love you all.

Merry Christmas!

### Issac Murefu

Issac is a boy aged 12 years old. He was living with his uncle who was very cruel. He had no wife and he took Isaac as a house boy who did everything in the house. He would beat Isaac daily as he is was always drunk. Issac had no where to go; nobody could intervene to help Isaac to have a better life. He had chest problems and backache, but no medication. The uncle would not allow Isaac to go to church or school. Through Touch the World Ministry, Isaac has a home and is healthy. He is now happy and attending school and church.
