

Touching the World For Christ

April, 2010

I love Easter! What a grand celebration of the resurrection of our Lord Jesus Christ. Even the secular world recognizes the holiday. The Lord provided us with a beautiful warm morning to worship and remember His great sacrifice and victory. It's the resurrection that separates Christianity from all other religions. We at Touch the World want to be a part of telling a lost world about our wonderful Savior.

Haiti:

Our container has reached Port-Au-Prince Haiti. I am so thankful for all of you that gave supplies, food, and water for the needy in this stricken area. I am blessed time and time again when God's people reach out to those that are hurting. We had so many volunteers that gave their time to sort clothes and food. All I can say is thank you so very much for giving to our Lord! We also had a team that went to Port-Au-Prince to work with our pastor friend. They reported a wonderful trip. Please keep Haiti in your prayers. Our school, Ecole Mixte Peniel School, in Port-Au-Prince has been stabilized and the equipment removed. Our next step is to level it and start rebuilding. It will take a long time for things to become normal. We will continue our work in Haiti. Our next phase will be collecting funds to buy materials and sending construction teams to begin the rebuilding process of our schools, churches, and orphanages.

Mission Teams:

As I am writing this newsletter we have a team of youth in El Salvador. Hopewell Baptist Youth gave up their Easter break to travel to El Salvador and build a protection wall for an orphanage. They will also be ministering to the children in the orphanage. What a blessing for young men and women to give of themselves to do missions and serve others. God can do a lot with people that deny themselves and serve. We have another team traveling to El Salvador at the end of the month as well as a team traveling to Kenya to build a school for our orphanage there. I praise the Lord for the privilege to work around the world! It is because of you and your heart to serve with us that all of this is possible. Your willingness to give of your time, talents, and finances does not go unnoticed. One day we will all go to be with our risen Savior if we have accepted His sacrifice for our sin. But until then may we be found laboring in His harvest.
