

Touching the World for Christ

August, 2010

It is hard to believe the summer is almost over. We have had many teams go on trips to various locations around the world, and I want to thank every team member that has participated. We have heard hundreds of great testimonies of what the Lord has done on these trips. How blessed we are here at Touch the World to be a small part of seeing God's Kingdom being built. Praise God for all of you that gave your time and resources to make a difference. Our Project Director, David Cooper, along with his wife Sandy traveled over to see our three ministry partners in India. Agape Christian Mission in **Salem** is doing a tremendous job taking care of 54 precious orphaned children. ACM is involved in pastor training, feeding lepers and a variety of different ministries. ACM is purchasing land and desires to build a Champion Home that will house 50 more children. This is a great vision. Please pray that the Lord will provide the funds for this plan. David and Sandy were truly blessed with what they saw and experienced with Agape. Next they traveled to **Hyderabad** to visit Bethany Children's Home. Pastors John Babu and his son John Moses of Bethany are going into the slum areas of Hyderabad and ministering to over 200 children. They are feeding these children three times a day, teaching them God's word, and making sure they have a place to sleep and an education. David and Sandy reported that they had never seen such poverty in all of their travels. They were deeply touched by Bethany's commitment to care and teach these needy children. David stated that he realized that **the Lord is using our sponsorship program to literally sustain the lives of these precious children. For 50 cents a day, \$15 a month, you can also be a part of helping these underprivileged children.** David and Sandy were so touched that they sponsored two more children themselves when they returned home. "After what we saw we had to. I wish we could sponsor them all". David said. Lastly they visited Christ Alive Care Ministries in Kerala. CACM is a partner that is caring for orphaned children in the beautiful mountains of Kerela. David and Sandy reported that the children and the staff were so loving. We need to pray for CACM. Because of government regulations they will have to move in the near future. They have a new place picked out and plans are drawn up for the new building. Please pray that God will provide the funds for this need. You, also are involved in all of this wonderful ministry in India. Everywhere we are ministering you are there also though your prayer and support. Thank you for caring about the Lord's work!

Until He comes,
Homer

Agape Christian Mission in Salem, India

Feeding Orphans in the slum areas of Hyderabad

Child Sponsorship Program

Touching the World...one child at a time.

Anitha is one of the many orphans that are living in the slums of Hyderabad South India. Pastors John Babu and John Moses of Bethany Children's Home, a partner of Touch the World, are committed to taking care of these underprivileged children. They are feeding these children three times a day and teaching them God's Word as well as seeing that they are educated and have a place to sleep. Most of these children are from a Hindu background. Anitha is 4 years old. She is in the first grade and her favorite subject is English. Anitha's favorite Bible story is Jesus.

There are hundreds of children like Anitha that desperately need your sponsorship. For only \$15 per month you can make a difference in the life of a precious child.
