

Touching the World for Christ

September, 2010

What a tremendous blessing to look back over the last eight months of 2010 and see all that the Lord has allowed us to be a part of. Psalm 90:17 says "Let the beauty of the Lord our God be upon us, and establish the work of our hands for us; yes establish the work of our hands." That is exactly what He has done for TTWM. I sometimes find myself surprised by the awesome things that God does. He is faithful, loving, merciful, transcendent and yet immanent in each of our lives. He has blessed us with ministry partners like you to come along beside us and help the helpless and hopeless of our lost world. Even though we have all faced uncertain economic days, the Lord continues to provide for His work. Over the last month we have seen an increase in our Child Sponsorship Program. I want to thank each one of you that has sponsored a needy child. I can think of no better investment than the fifty cents a day that the Lord uses to sustain the lives of these precious little ones. One day you will stand before the Lord and He will reward you for your heart for His children. For those that do not sponsor a child, please prayerfully consider this small investment into the Kingdom. If you can't give, pray. Prayer is the best gift of all. We have seen so many prayers answered on our behalf because of praying friends. While we are speaking of prayer, please remember our mission teams that will be traveling this Fall. Also pray that we will finish the year strong in the Lord. Again, thank you for your part in Touch the World Ministries; may the Lord establish the work of your hands!

James 1:27

Maheshu Ubidvi Bethany Children's Home, India

Maheshu is one of the many orphans that are living in the slums of Hyderabad, South India. Pastors John Moses and John Babu of Bethany Children's Home, a partner of Touch the World, are committed to taking care of these underprivileged children. They are feeding these children three times a day and teaching them God's Word as well as seeing that they are educated and have a place to sleep. Most of these children are from a Hindu background. Maheshu is 4 years old. He is in class one and his favorite subject is English. Maheshu's favorite Bible story is Mary.

There are hundreds of children like Maheshu that desperately need your sponsorship. For only \$15 per month you can make a difference in the life of a precious child.
