Dear Friends,

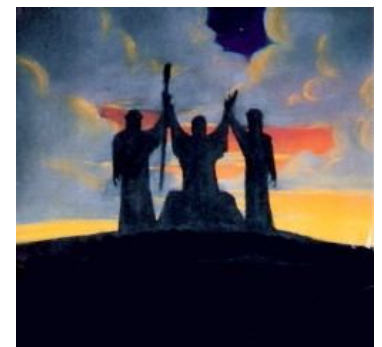

The New Year brings a new start and endless possibilities. We are so thankful for all of you that sent funds to the **Christmas Celebration Project** so the children could have something special for Christmas. We got many reports of Christmas celebrations from around the world. As we begin 2011, we should all reflect on how fortunate we are to have the freedom and privilege to be involved in the work of our Lord!

I have to be honest with all of you, 2011 finds TTWM in uncharted waters. Unless the Lord provides a miracle we will no longer be able to operate the way we are at this time. We need funds for our operating expenses. The ministry will go on, however due to the prolonged economic decline, our ministry will not be able to continue at the same level. We believe that the Lord is in control of all things and that He knows all about these circumstances, and we feel that we should let you know as well. Please be in prayer for TTWM. We desire your prayers that this great ministry the Lord started so many years ago can continue without disruption.

Aaron and Hur 100 Club

Because of this need we have started the Aaron and Hur Club. (Exodus 17:8-12) Just as Aaron and Hur supported the arms of Moses when he could not hold them up himself, we need your help. We are looking for people that want to be a part of spreading the gospel and helping orphans around the world to agree to support Touch the World Ministries by giving \$100 a month for our operation. Please pray and seek the Lord on this. We only need 77 members of the Aaron and Hur Club at \$100 per month to meet our goal and keep TTWM going strong. We thank each and every one of you for being our partner in serving our great Lord. Ultimately, it is all in His hands. We want to be obedient and follow His guidance. If the Lord chose not to do another thing through this ministry we could praise Him until He comes back for all that He has already done!

Carrying the Gospel Light,
Homer
