El Salvador Mission Trip

***Dear Friends,***

Summer time is fast approaching and teams are preparing to go and serve all around the world. We at Touch the World are so excited when we see churches and groups come together prepare to be used of the Lord on the mission field. Our vision is to help the church of America experience the mission fields of our world. We cannot begin to tell you of the countless people that have been changed in the Lord because of one of these trips. The mission field has a way of clearing our vision to see what is important and what is not. We have multiple teams that are in training or will soon begin training. Please pray as we all prepare for these great endeavors.

We had a team that recently returned from El Salvador. This team was a great blessing to Bob and Angelique Kendrick, the missionaries that we partner with in El Salvador. As a team they got to experience men and women accept the Lord Jesus as their Savior. We want to thank Wake Cross Roads Baptist Church of Raleigh, North Carolina for being the example of Christ on this trip. What a great reward to work hard together and experience the life changing moment of seeing lost souls come to the Lord! That is what Touch the World is all about. We all serve together to reach a lost world with the message of a Savior that loves them. I count this one of the greatest privileges of my life! I also count it a great privilege to have you as a friend and partner in the great commission. Please pray as we follow Him.

Because He lives

***Child Sponsorship Program***

*Touching the World...One Child at a Time*

Levy is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Levy: "He is a boy aged 7 years old. I got him living with his step grandfather who was mistreating Levy by giving him little food once a day and he made him eat outside the house. He was separating Levy from his own children. Levy was living a miserable life, crying to see his father and mother but they were nowhere to be found because they had passed away. The step grandfather forced Levy to wait until the rest of the family finished eating, then he let Levy eat the left overs outside the house, even if it was raining. His children were sleeping on beds while Levy was sleeping on old carton boxes on the floor using his torn shirt as a blanket. Levy was in a bad situation. Through Touch the World Ministries' support and care Levy has a home and is getting his basic needs met. He now has beddings, clothing, and he is joyous". By sponsoring Levy you will help him to continue to have these basic needs met.

**There are hundreds of children like Levy that desperately need your sponsorship. For only \$15 per month, 50 cents per day, you can make a difference in the life of a precious child.**
