◆ **Financial Needs**

Please pray for the many financial needs of TTWM. Pray for more people to come along side us in touching the world for Christ.

◆ **Sponsor A Child**

For only \$25 a month you can truly make a difference in a precious child's life.

◆ **Pray for our Mission Teams.**

It is hard to believe 2013 is already here and going strong. We had many projects and great trips last year and we are so excited to see what the Lord has in store for 2013. The Construction of Bethany Champion's Home is well underway in **Nidadavole, India**. I am so thrilled about this construction. This home will house 150 children and we are so overjoyed because all 150 of these children have already been sponsored. I praise the Lord that He is already providing the funds to take care of the basic needs of these precious children. This is only the beginning of many awesome things happening in the Hyderabad area of India. When this home is complete the construction of another home in the town of Hyderabad will begin. Many thanks go out to those that are giving financially so that this dream can become a reality.

Echoes of Mercy, one of our partners in ministry, will soon begin construction on a medical clinic in Kamuya village, Kenya. This village is absolutely on fire with the things of the Lord. God has provided for Kamuya to be transformed by His glory and many projects are under way. In fact, plans are being made and funds are being given for the **Roma Dover Street Children's Home** to begin construction. We praise the Lord for what He is doing in Kamuya village and what we believe He is getting ready to do in many more villages in the surrounding areas.

We have also begun construction on **City of Refuge Champions Home in Bellemu, Liberia**. The director of this home is Jackson Quenisear. Jackson and his wife, Harriet, now take care of 20 children and we are excited that they will be taking care of many more upon completion of the Champions Home.

We also want to praise the Lord for the completion of **Love a Child Champions Home** in Liberia. The construction of Love a Child was completed by a dear friend of ours. TTWM began construction in 2008 and we were unable to complete it due to lack of funds. Praise the Lord! The home is complete

and 60 children have a place to live and are being cared for. The children from all of these homes are in our Child Sponsorship Program and many of them are in need of sponsors. Your sponsorship will truly make a difference in their lives. May the Lord bless all of you as you partner with us to take the message of Christ literally around the world!

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Yusenu that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Yusenu is one of the many orphans that are living in the slums of Hyderabad, South India. Pastors John Moses and John Babu of Bethany Children's Home, a partner of Touch the World, are committed to taking care of these underprivileged children. They are feeding these children three times a day and teaching them God's Word as well as seeing that they are educated and have a place to sleep. Most of these children are from a Hindu background.

Yusenu's favorite subject is English. Yusenu's favorite Bible story is Jesus. Your support will help Yusenu's to have food, clothing, education, and discipleship in Jesus Christ.

"Therefore pray the Lord of the harvest to send out laborers into his harvest."
