### *How You Can Make A Difference...*

- ◆ **Pray**  
Pray for all of the suffering children across the world and pray that God will continue to use TTWM to help meet their needs.
- ◆ **Financial Needs**  
Due to the growth of TTWM, it is necessary to have some full time staff. **PLEASE** pray with me about additional funding for this need so that the work can continue to grow. **MAYBE** God wants you to be a part of making this happen.
- ◆ **Pray for our Mission Teams.**

It seems like this year just started and it is already March. I am reminded what the Scripture says about redeeming our time. We should make every day important in our service to the Lord! When I look at the great things the Lord has done and is doing through TTWM I am compelled to give Him praise! Taking care of widows and orphans is at the heart of our great Savior. Right now we have four Champion Homes (orphanages) under construction in different parts of the world. What a great God we serve. We constantly need to remind ourselves that the Gospel is the center of all that we do. Yes, we care about the physical needs and reach out to meet them, but the greatest need is the gospel of Jesus Christ! All that we do at TTWM is so that the message of salvation can go forth into a lost world. We are so excited to have Eric and Laura Ollis of Mountain Ridge Ministries as a new partner. Mountain Ridge Ministries proclaims the gospel through song. They have become involved with the Child Sponsorship program. At their concerts they give those attending the opportunity to sponsor a needy child. Thank you Eric and Laura for your ministry and being willing to partner with us in touching the lives of children around the globe! I want to thank all of you that are our partners in ministry. Each one of you that supports and prays is a partner with us in His ministry. The Lord uses all of us in His Great commission to reach the unreachable, to bring good news to the brokenhearted, to show the love of Christ to those that are forsaken! Thank you for your heart to come along side of us in this great endeavor!

**To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!**

*Touching the World...One Child at a Time*

Titus is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Titus:  
"Titus Wasike is a boy aged 13 years old. I got him when staying with his step mother. His health was bad since nobody would care for him. His step mother could not provide anything because she was a widow. Also he was being separated from other children because his parents died of HIV/AIDs so they feared he would infect them. Titus was moving up and down to look for food but in vain. He was passing through difficulties and even would opt to go and search for food in dustbins in town. Through Touch the World Ministries' support and care, he is healthy and happy. He loves the Lord, and he is always joyfully praising God."

**There are hundreds of children like Titus that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
