How You Can Make A Difference...

◆ ***Pray***

Pray for all of the suffering children across the world and pray that God will continue to use TTWM to help meet their needs.

◆ ***Financial Needs***

Due to the growth of TTWM, it is necessary to have some full time staff. **PLEASE** pray with me about additional funding for this need so that the work can continue to grow. **MAYBE** God wants you to be a part of making this happen.

◆ ***Pray for our Mission Teams.***

Hello friends. In the last newsletter I told you about David and Sandy Cooper moving to Todd, NC where Barbara and I live. They are here and getting settled! Thank you for all the prayers. Prayer is the lifeline of Touch the World Ministries. With all our great prayer partners we see the Lord accomplish many great works. Many of you also sponsor children through our Child Sponsorship Program. Thank you for making a difference in the lives of these precious children. Others support the ministry by giving to different projects or to the general operating needs of the ministry. Thank you so much for being a part of Touching the World for Christ. In less than two weeks the children in Nidadavole, India will be moving into a brand new home. Many of you made this possible and I want to thank you from the bottom of my heart! In John 13, Jesus took the basin and the towel and washed His disciple's feet. This was a huge object lesson to them and also to us. He was teaching them the attitude of servanthood. He challenged them to serve one another. Everything that we do at TTWM takes this challenge as a reason to reach all around the world to help those in need of a Savior. May we be found serving one another and our fellow man as our Lord commanded us! This can only be accomplished through a team effort. That is such a Biblical concept! We are all on one big team with our Lord as our leader! Let us not fail to please Him and fulfill that which he has called us to do. Thank you for being one of my teammates!

Seeking the lost together,

Homer

To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Hairati that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Pastor Paul Lubaale oversees the ministry of Center for Evangelism in Uganda, is a partner with Touch The World Ministries. Pastor Paul Lubaale is the founder of the CFE. CFE helps to care for orphaned and impoverished children. Many of the children in these areas live in homes that are run by a child because both parents have died of AIDS. This entire region has been ravished by AIDS. Pastor Paul helps these children and disciples them in the ways of Christ. Hairati is a girl that lives in one of these villages in Uganda. Hairati lives with her mother and 5 brothers. The source of income for her family is peasant farming. Would you like to make a difference in Hairati's life by becoming her sponsor?

"Therefore pray the Lord of the harvest to send out laborers into his harvest."
