Dear Friends,

October is the month that we are getting the Christmas boxes together to ship to El Salvador. Many of you are involved year round with collecting small gifts and packing boxes so that children in El Salvador can learn of a Savior that was born for them. We also have several churches involved with collecting clothes for over 100 pastors and their families to enjoy and use for the coming year. I have personally been in El Salvador when these families shopped through the hundreds of boxes of clothes that you sent. I cannot express the joy that it brings to see the happy faces and tears of joy that these precious pastors and their families have while shopping. I do remember thinking that this is what Christmas is all about! I wish that you could see the excitement on the children's faces as they all wait to open their Christmas Box. There is a countdown and then they all open them together. Laughter and shrieks of joy are heard all around as little hands look though the only gift they will receive for the year. We then let them know about the wonderful Savior and why we are having this celebration! They will always remember the story of Christ and many will grow up to receive Him as their Savior. So as we work on the logistics of getting thousands of gifts to El Salvador, we want to thank each of you for your help with this great project and all the other things that we partner in doing together. I consider you all family and love each and every one of you. May the Lord bless all of our endeavors!
