December is a great time of the year. It is hard to believe that it is already here again! I love the Christmas season. America celebrates the birthday of our Savior! Oh, they have tried to make it politically correct, but whether they believe in Him or not, by their celebration they are acknowledging someone of great significance was born into this world! We know and believe that Jesus is the most important person ever born or that will ever be born! December also marks the end of another year. We look back and see all the wonderful things that have been accomplished by good people like you! I want to thank each and every one of you for your participation in this ministry. We have seen many, many great things this year done in the name of Jesus around the world! I want to thank my Savoir most of all. By His coming we have purpose and hope of a better day that will be spent together eternally! I am reminded that His coming was not a chance happening but planned in eternity past. Galatians 4 tells us that when everything was just as the Father had planned, Christ was born! Because He was born unto us, He would one day die for us. This is the hope of humanity, this is the reason we do what we do as a ministry. There is a world out there that needs to know the Savior and we will expend ourselves letting them know of His great sacrifice and offering to them. It is good to know that there is a whole team of people standing behind us to get this message out. I want to wish you a Merry Christmas and may the Lord bless each and every one of you as we celebrate His coming! I love you!

Merry Christmas,
Homer

To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!

There are hundreds of children like Ranthika that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Child Sponsorship Program

Touching the World...One Child at a Time

Ranthika is one of 52 children residing at Agape Home for Children in India, a partner of Touch the World Ministries. Pastor Nehemiah Rajan, the director of Agape, and his wife Helen are committed to taking care of these precious children.

Ranthika is the second daughter in her family. Her mother became ill and was unable to look after her three female children. Her father is an alcoholic who does not care for the family. We came to know their pathetic condition and extended our care to Ranthika. She is a lovely girl. She loves to tell stories. Her favorite story is David and Goliath.

“Therefore pray the Lord of the harvest to send out laborers into his harvest.”
