### ***How You Can Make A Difference...***

#### **◆ Pray**

- ◆ *Pray for all of the suffering children across the world. And pray that God will continue to use TTWM to meet their needs.*
- ◆ *Pray for our Mission Teams.*
- ◆ **Financial Needs**
  - *Please continue to be in prayer for the everyday financial needs to run the ministry.*

Jesus commanded us to take care of the orphans the widows of this world. We believe that this is “pure and undefiled religion” before God the Father. There are hundreds of children around the world that are being taken care of because of good people like you that have a heart to help carry out this mandate. The Lord has really given me a soft place for the countless millions of orphans in our world. I want to thank each and every one of you that sponsor children in our program. I also want to challenge you to tell your friends and relatives about the opportunity for them to become sponsors. The children are worth any of our efforts! Every time a new Champions Home is built or a new sponsor starts in the program I offer up thanks to the Lord. Jesus had a heart for children and so should we. Our greatest way of making the need known is through you. Please let people know about the opportunities to help the orphans. I am thankful for each and every one of you that partner with us to “touch the world” with the message of the gospel. This is laying up treasure in heaven. May the Lord bless you and keep you as we all follow Him together.

Until they all hear,  
Homer

***To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!***

## ***Child Sponsorship Program***

***Touching the World...One Child at a Time***

**There are hundreds of children like Chinna Raasu that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

Chinna Raasu is one of 52 children residing at Agape Home for Children in India, a partner of Touch the World Ministries. Pastor Nehemiah Rajan, the director of Agape, and his wife Helen are committed to taking care of these precious children.

Chinna Raasu is a soft natured boy who is very shy. He is starting to get settled into our home now. His father and mother are affected by HIV and are under medication in the government hospital. Chinna Raasu’s dream is to study hard and to become a policeman. He is studying in primary school and is average in his studies. Walking and running are his favorite activities.

***“Therefore pray the Lord of the harvest to send out laborers into his harvest.”***

***Matthew 9:38***
