How You Can Make A Difference...

◆ Pray

- ◆ Pray for all of the suffering children across the world. And pray that God will continue to use TTWM to meet their needs.
- ◆ Pray for the safety and protection of our children and personnel in West Africa during the Ebola outbreak.
- ◆ Pray that the Lord will provide the funds for the School at Agape Christian Mission.
- ◆ Financial Needs
 - Please continue to be in prayer for the everyday financial needs to run the ministry.

Oswald Chambers, in today's devotion, reminded me that we are to look for our Lord in our clouds. In fact, in scripture clouds are always associated with His presence. Nahum 1:3 says, "The clouds are the dust of His feet." Often we tend to get discouraged by clouds instead of looking for our Lord in them. I need this reminder many times when things are not happening as fast as I would like to see them happen; or when funds are not coming at the pace I had hoped they would. It is in these times I must realize that our Lord is the One in control and as Beth Moore once said, "Sometimes we have to wait on that terrible five letter word, 'later'." Lots of great things are happening through TTWM, thanks to your faithful prayers and financial support. In spite of the Ebola outbreak in **Liberia** and the many deaths associated with it, our work there continues on very well. Our project director, David Cooper, has been in contact with all of our partners and personnel and they have reported that the outbreak has not affected any of our children or workers in the country. We are keeping all of the children restricted to our compounds only for safety precautions. Please continue to pray that this Ebola outbreak will be contained. The work on the dorm at **Bellemu** is complete and we will have pictures in the very near future. All the ministries in all the countries in which we work report good progress and minimal problems as of this date. The work in **India** has been progressing at a slow pace due to political unrest and weather. It is, however, now back on track and we are seeing the new champion's home in **Hyderabad** beginning to rise out of the ground. Praise the Lord. I would request that you be especially in prayer for a corporate sponsor or an individual that can sponsor at least 135 of the 150 children that will occupy the home upon completion. When the home is ready the funds for food, clothes, education, and

basic needs must be in place as well for the children. These funds are supplied through our Child Sponsorship Program at \$25.00 per month per child. Help us pray for that need. The time is fast approaching. On the thought of funding TTWM, any of you who purchase items on line at Amazon, can sign up at smile.amazon.com, search for TTWM, Todd, NC and designate it as your charity of choice and .05% of all your purchases will be directed to us at no additional cost to you. Again, thanks for your support. The greatest support you can give is prayers. We treasure that above all else. May you be blessed and His Kingdom come.

Until all hear,
Homer
