How You Can Make A Difference...

◆ Pray

- ◆ Pray for all of the suffering children across the world. And pray that God will continue to use TTWM to meet their needs.
- ◆ Continue to pray for the safety and protection of our children and personnel in West Africa during the Ebola outbreak.
- ◆ Pray for the Christmas Joy Project and that all of the boxes will reach their destination on schedule.
- ◆ Pray for our Mission Teams
- ◆ Financial Needs
 - Please continue to be in prayer for the everyday financial needs to run the ministry.

We are starting into one of my most favorite times of the year. Fall and winter are full of beauty and busyness. We have begun our Operation Christmas Joy

Project that will finish up on November 4th with everything arriving in Laurel Mississippi. The container will be loaded and shipped over to Bob and Angelique Kendrick in El Salvador to be given out as Christmas Boxes and much needed clothing for the Pastors and their families.

What a joy to be a part of what Christmas is all about. Moses Omondi will be visiting with us this month. He is our partner in ministry and the founder of Echoes of Mercy in Kisumu, Kenya. What a great work the Lord has allowed us to be a part of in this village. The village has been transformed into a display of God's splendor. Moses has such a heart to help the people in his home village. Crowns Clinic is almost completed and we are so thankful for Samaritan's Purse supplying the much needed medical supplies! Thanks to all of our partners in the ministry that make everything happen. That includes you, too. We could not do it without you. May the Lord bless you as we serve Him together!

Until all hear,
Homer

To those that sponsor a child through TTWM, thank you so much for making a difference in the life of a child!

Child Sponsorship Program

Touching the World...One Child at a Time

There are hundreds of children like Moses that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

Moses is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Moses:

"I got him living with his grandmother who was old and poor. Moses was sickly every day. Nobody would take him to hospital. People were thinking Moses would die as his parents who died of HIV/AIDS. Moses was living a painful life. He had no clothing, no bedding, no food, and no medication. Through Touch the World Ministries, Moses now has a home, and he is getting his basic needs met. He is joyful and very healthy as you can see. He is happy to be going to school."

"Therefore pray the Lord of the harvest to send out laborers into his harvest."
