January, 2015 Newsletter

Volume 14, Issue 1

Here we are already in the beginning of a brand new year. It's hard to believe that Touch the World Ministries is in its eighteenth year of mission work! That is praise unto the Lord. Many of you have been with us the entire time and how thankful we are for you!

We recently received news that the container of medical supplies arrived at the Echoes of Mercy compound in Kamuya village, Kenya. These supplies will be used in the Crowns Medical Clinic to help support the much needed medical work in this region. Thanks to all of you that were a part of this great project.

All of the clothes for Pastors and their families and the gift boxes for children arrived and were distributed in El Salvador. We hope to have more details and some pictures in next month's Newsletter. I want to thank all of you who were involved in this project. It will touch the lives of many pastors and many needy children.

As we start this New Year may we look for new ways to help share the gospel around this world. We pray that the Lord will expand our work and many people will come to know Christ this year. Please be in prayer with us as we follow His direction. May this be a banner year for you as well. May the Lord use each one of you more and more as His mouth piece for proclaiming the gospel. We are all in ministry together! I am so thankful for such a great and loving team!

In His Grip,  
Homer

## *Child Sponsorship Program*

*Touching the World...One Child at a Time*

Anitha is one of the children residing at Agape Home for Children in India, a partner of Touch the World Ministries. Pastor Nehemiah Rajan, the director of Agape, and his wife Helen are committed to taking care of these precious children.

Anitha is the sixth female daughter in her family. She and her twin sister, Vinitha, and her elder sister Tamilselvi are in our home. Their father deserted the family. Anitha's mother became mentally ill and her elder sisters are taking care of her. Playing group games, hide and seek are Anita's favorite activities. She loves Mango and Apple. She has memorized Psalm 1 and 23.

**There are hundreds of children like Anitha that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
