Summer is rolling along and it seems that time is passing by quickly. I am reminded again just how short this life really is. What we do for the Kingdom is all that is going to matter in the end. Children are at the heart of the Savior "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these" (Matt.19:14). Jesus cared about the little ones and so should we. That is why we are so involved with helping children around the world. If it was Jesus' heart, then it should be our hearts as well. We care by feeding them, clothing them, and loving them. But at the center of all that we do, teaching them about this Savior and how He loves them and gave His life for them. We teach them that we all have sinned, and fall short of the glory of God. We all need this Savior. Really, this is central focus of Touch the World, reaching the world with the good news of the gospel. It takes team work to do this great task and we are thankful to have you on our team. Please be in prayer that we can be the ministry and tool that God has called us to be. Be praying for the finish of the new Champion Home in India. It is getting very close to completion. Also, pray for the school project in India as well. We have an opportunity to build a Christian School that would educate over 2000 students in the heart of a Hindu nation. Only God can accomplish this, but we can pray His will be done. Thank you for praying and giving to these missions. We are grateful for all of our TTWM family! May the Lord bless you as we all continue to serve Him together!

For His Glory,
