

"Go ye therefore and teach all nations, baptizing... teaching them to observe all things..." Matt. 28

The commission of Christ has not changed since He gave it over 2000 years ago. Salvation of the lost through faith in Jesus is still the bottom line of what He sent us to do. The focus of Touch The World Ministries has not changed since its establishment in 1997. Our purpose in all our activities and programs is the salvation of the lost. That is why we "take the world to the mission fields of the world so they can see the need and respond as God leads them."

A dear friend of mine is a counselor with The Bible Broadcasting Network and a regular speaker twice a day as well. They are a huge ministry headquartered in Charlotte, N. C. Their focus is carrying out Christ's Great Commission. Winning, disciplining, and counseling those who call in and listen to the 24 hour daily broadcast. This is a great ministry which Barbara and I support. They just finished their spring shareathon and met their goal of 5 million dollars. Praise the Lord. So far this year they have recorded at least 272 salvations. Praise the Lord. To help you appreciate the work of Touch The World Ministries, and the benefit of your investment in it I will share a few facts from just two of our ministries - one in India and one in Africa. While they maintain three children's homes that shelter, cloth, feed, educate, and care for the medical needs of over 300 children. They are also very involved in ministry and missions beyond the doors of the homes. Through the efforts of the staff there in just the last three months they have conducted several gospel meetings that resulted in over 40,000 (that's right-over 40 thousand) salvation's. They have baptized over 700 people, held 15 pastors conferences with over 5000 pastors attending. With only two doctors and five nurses they provided free medical care to over 7000 poor people. And they also did feeding projects in 35 locations in slum areas.

Continue your support of any good worthwhile ministry, such as BBN. We would never ask you to take your support from a great ministry that God is using to share the gospel. But if you would like to invest even more in the growth of the Kingdom of God consider Touch The World Ministries. By the way, the above mentioned ministries of Touch The World are just two of the many homes, schools, clinics and other ministries of Touch The World and our budget last year was less than \$150,000.00. Imagine what we could do if we had more funds.

Faithful til He comes,
Homer

Child Sponsorship Program

Touching the World...One Child at a Time

Eli Wafula is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Eli:

Eli was born in 2011, his parents passed away, and he was staying with his grandparents who were unable to raise him because of poverty and sickness from time to time, so they asked for our help, because they couldn't afford to provide for him, even for his basic needs. Eli was also weak and with so many problems because of a hard life.

There are hundreds of children like Eli that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.
