As summer is coming to an end and fall is upon us, we reflect upon how short a year can seem. James tells us in the Bible that Life is just a vapor and the older I get the more I understand. We only have a short time to make a difference for Christ while here on this earth! Thank you for being a part of making a difference in men and women, boys and girls all around this world. We work together with the time the Lord has given us to reach our lost world. What a privilege. We are excited about the funding that came to help renovate the clinic in Bungoma Kenya. This clinic is the only one for 80 kilometers and helps people in a vast area. Thanks to Clear Creek Church in Matthews NC for making Touch the World Ministries its VBS mission focus. These kids raised the money to renovate the clinic. Great job Clear Creek VBS! We are also in the process of helping Echoes of Mercy in Kaymua village Kenya finish their mission house. This compound is a great blessing. The school on this compound has 480 students enrolled. The compound also has a medical clinic and church as well as a beautiful mission house for teams to stay in when they travel to minister at EOM. We are thankful for Moses Omondi and his heart to make a difference in this wonderful place. This is just a sample of the great things that have gone on this summer that you have been a part of. We look forward to fall and the things that the Lord will do in this season of time. Thank you for your partnership and heart to come along side of us as we touch the world for Christ's sake!

Serving Him together,  
Homer

## *Child Sponsorship Program*

*Touching the World...One Child at a Time*

Eli is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Eli:

Eli was born in 2011, his parents passed away and he was staying with his grandparents who were unable to raise him because of poverty and sickness from time to time. His grandparents asked for help because they couldn't afford to provide him even with the basic needs. Eli was also weak and with so many problems because of hard life.

**There are hundreds of children like Eli that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**

**To those of you that sponsor a child through Touch the World Ministries,  
Thank you so much for making a difference in a child's life!**

*"Therefore pray the Lord of the harvest to send out laborers into his harvest."*
