November, 2019 Newsletter

Volume 18, Issue 5

It is hard for me to grasp that it is already November. This year will soon be over! We have seen so many great things the Lord has done and is doing. We had a ministry partner that has bored a new well at the **River Jordan Children's Home** in Bungoma Kenya. Pastor Patrick reported that they will have all of the clean water they will ever need. We are so thankful that the Lord has met this need! This well will be equipped with a solar pump so even if the electricity is out this compound can still draw water. We are so thankful to Samaritan's Purse for taking care of this project. The medical clinic at River Jordan was also in need of renovations. Clear Creek Baptist Church in Matthews had River Jordan as their mission's emphasis for Vacation Bible School this past summer. The money raised was used to complete the renovations. I am so thankful that the renovations are now complete. Thank you Clear Creek for giving to the Lord! Please be in prayer for River Jordan. **Urgent Need:** The River Jordan Compound suffered a very serious storm on November 6th that destroyed the properties, trees, and crops. It rained a lot and caused the toilet to sink. We thank God that no one was hurt. If anyone would like to give toward this project you can make a donation to TTWM. Please be much in prayer for them.

One of our partnering ministries, **Echoes of Mercy** in Kamuya Village Kenya is full of life and doing well. Moses Omondi, the founder of this ministry, had a birthday last month. Happy birthday Moses and may the Lord bless you as you serve the orphans and widows in Kamuya village!

As we are finishing up another year let's purpose to finish well! Let's give the Lord the praise that is due His great name and engage in His awesome mission. That mission is to reach boys and girls, men and women with the gospel all around this world. **Thank you** for being a part of touching the world with us!

Child Sponsorship Program

Touching the World...One Child at a Time

Lucy is one of the one hundred orphans residing at River Jordan Champions Home in Kenya. Most of the children living at River Jordan have been orphaned because their parents have died of AIDS. Pastor Patrick Wamalwa, the director of River Jordan writes regarding Eli:

Lucy has a twin sister, they were born on 2009 and their parents died. They were staying with their grandparents and their grandfather died last year. Their grandmother is weak and poor so she could not manage to raise them. We brought them to River Jordan when they were in a very bad condition.

There are hundreds of children like Lucy that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.

**To those of you that sponsor a child through Touch the World Ministries,
Thank you so much for making a difference in a child's life!**

"Therefore pray the Lord of the harvest to send out laborers into his harvest."
