

*“She is clothed with strength and dignity; she can laugh at the days to come. She speaks with wisdom and faithful instruction is on her tongue. She watches over the affairs of her household and does not eat the bread of idleness. Many women do noble things, but you surpass them all”.* Proverbs 31

In the early 1980s I was introduced to Mike and Violet Remy from Haiti. They became life time friends and the first international couple we began working with in ministry. That partnership in missions has continued from that time up to this very day. The couple, along with their children, did everything for the Kingdom of God with excellence. The accomplishments of that couple would fill several volumes of books.

The sad part of such longtime friendships and partnerships such as theirs is the loss one feels when God graduates them home to their rest and eternal reward. In January of 2020 angels carried Brother Mike to Heaven. Last week they carried Mrs. Violet into the presence of our Lord. I can only imagine the reunion and reception that took place. I had the great privilege of speaking at Brother Mike’s funeral in Atlanta, Ga. on January 20, 2020. Political unrest, among other issues, will prevent me from attending Sister Violet’s funeral on Saturday, October 30<sup>th</sup> in Haiti. Touch the World Ministries as well as myself feel a great sense of loss at their passing. The work of the Remy’s and partnership with the ministry will continue under the leadership of their capable and qualified children. We ask that you please remember the Remy family, Mike Remy Ministries, and Touch the World Ministries during this time.

Thank you for your faithful support over the years and we will continue until He comes!

*Touching the World...One Child at a Time*

Jackie is one of the children residing at Love A Child Orphanage in Liberia, a partner of Touch the World Ministries. Reverend Albert Wreh was the founder of Love a Child. After his passing his wife, Rebecca Wreh, is now the director of Love A Child, and is committed to taking care of these precious children.

Jackie Wesaye was abandoned by both parents and was brought to Love A Child. She is a precious child.

**There are hundreds of children like Jackie that desperately need your sponsorship. For only \$25 per month you can make a difference in the life of a precious child.**
