Volume 21, Issue 1

It is hard for me to believe we are already in the month of June! This year has been rolling along quickly. We have all been touched by the Russian invasion of Ukraine. We have seen the new reports of the refugees as they escape for their lives. Touch the World Ministries has several partners that are working with these desperate people. Pavel Ureche in Romania, a pastor that we have worked with for years, wrote this to us about these precious people: *“They need food, money, and medicine. The most affected and whose lives are threatened not only by bombs but especially by starvation are civilians who take refuge in bunkers and underground so they are the people in the localities surrounded by the Russian army. They have no electricity, water or food.”* Pastor Pavel is involved with loading minibuses and trucks and getting supplies across the border to these desperate people. TTWM has sent funding over for this great need. How blessed we are to be on the front lines helping the helpless! We also have a partner in Moldova, Ruslan Ciobanu. Ruslan reported that there are many refugees pouring into his country as well. They have started a sheltering project offering shelter to the refugees and now are housing 21 refugees. Please be in prayer for these refugees and pray that God would intervene in this conflict. It breaks my heart to think of women and children starving, with no place to live because of this war. But it is also a tremendous opportunity to show the love of Christ and share the wonderful gospel with those in need! Thank you for being a partner with us in making a difference for the Kingdom. We are all in this together making a difference as we touch the world for the sake of the gospel! May the Lord bless you as you serve Him!

Serving Him Together,
